This event will begin in a moment...

How To Be Successful in the Music Industry: Sustainability in a Virtual World

Hosted by **Woot Johnson** of Songtrust

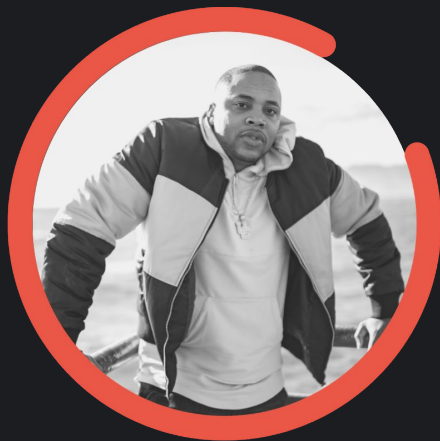

Special Guests, **Emily White** and **Julia Nunes**

Agenda

- Learn what the meaning of **music career sustainability** is and the elements creators must focus on to create a sustainable career for themselves
- Discuss how **sustainability** has shifted in a new **virtual world**, and what this means for artists in the next few years
- Get **first-hand insight from industry experts** on how to set yourself up for success and learn what to avoid if you want to stand out from the crowd
