

Managers & Publishing:

What Music Managers Need To Know To Support Their Artists

Hosted by **Ben O'Connell** & **Woot Johnson** of Songtrust

Special Guests, **Kenny Hamilton** & **Malita the Mogul**

Agenda

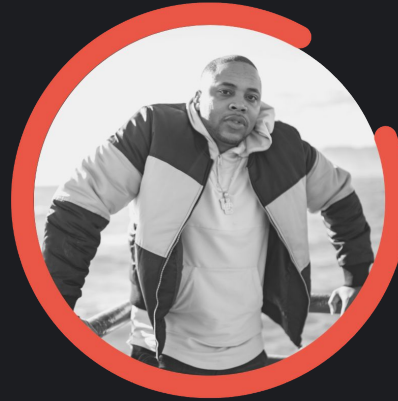

- Discuss those first **important steps** that every music and artist manager should take to ensure they and their artists are set up for success
- Review the various **music publishing deals** available to creators today and **when (and what) to consider** a publishing deal for yourself and your artists
- Learn more about **creative publishing services** and what it means to be DIY while maintaining ownership
