

Setlist Submission

Setlist instruction

Step 1: Choose the territory and put all the songs you played at the show.

Step 2: Enter your event details. Include the date, event name, type of performance, and performer name.

Step 3: Tell us about the performance that occurred. Place the name, city, and postal code.

Setlist Submission

Live performances generate performance royalties, so be sure to save your setlists after each show and submit them here. Note: Most societies have a 6 month window to submit your setlists, so come back often!
